## EDITOR'S ETCHINGS

**HELLO!** ...and from the UK! I am now safely back home after a lovely time in Switzerland. I got back in the middle of August to find the garden a total jungle, I even have some rather nice metre and a half high yellow flowers growing in the middle of the lawn! According to my neighbours the front garden looked lovely at the height of summer, it certainly doesn't look that way now, I think I'll need a combine harvester to fix the lawn!

I had a week between finishing in Pfäffikon and needing to be home so Tom came out and we had a leisurely drive through Switzerland and France spending a lot of time in the mountains with views of the Jungfrau and Mont Blanc from hotel rooms (note ROOMS, not the same room, read up on your geography!!)

Della's bodywork attracted some attention (sadly not like mine)! I often saw people looking and talking. However, she made it home perfectly, albeit still drinking coolant which I suspect is in the oil! Tom did a hasty oil change for me in the parking area of my apartment before we left and she made it back.

We stayed in some lovely hotels, I have always poo pooed 2 star hotels, what a snob, but they were all very reasonably priced, clean and comfortable – well the one in Interlaken was reasonably priced by Swiss standards, 100 quid with no ensuite!

None of them included breakfast which gave us a good excuse to clean out the Boulangerie of croissants, pain au chocolat and pain au raisin! I haven't holidayed in France very much and we were surprised to see that many of the cafes just did drinks and everyone rolled up there with their purchases and just bought a coffee, a great scheme I think.

Armed with my trusted (except 10 years out of date) Lonely Planet France we found some very interesting things to do, travelling slowly from the Alps to the Massif Central and on to the west coast.

On the final weekend we stopped in Le Mans. Della loved driving down the Mulsanne straight and we then headed for the museum. It was fantastic and amazing to think that the original drivers spent 24 hours behind the wheel of the cars that they did.

The highlight for me was the 1988 winning Jaguar as I was there on the start/finish straight as it came home. I remember it so well, the 1 to 5 were Jag, Porsche, Jag, Porsche, Jag. For those of you who don't know, the 24 hours finishes at 24 hours, no matter where the cars are on the circuit so the winner doesn't have to actually cross the line. At the finish, the Porsches pulled back as the cars came back round to the pits so the Jags came down the straight in a line. In those days you could go down on the track by the pits and it was amazing.

We also decided to go on a minibus which promised a tour of the circuit. This proved incorrect, they just took us to a couple of parts of the track and we were starting to get disappointed. Until, that was, we stopped outside the main building and they took us inside. We had a tour of the control centre with its enormous bank of screens where the Race Director can see every part of the circuit. We then went out onto the bridge over the circuit where the podium is so yes, I've stood on the winner's podium at Le Mans!

I managed to make it to the Cordles' Run. Richard and Linda again designed a fantastic route ending up in the depths of Kent. Thanks go to them for the arrangements, to Mike and Sue for feeding me and to the beaver for reluctantly making an appearance and giving us the icing on the cake!

I have yet to have Della seen by the insurance assessor but know she'll be written off. Watch this space for more news.

### CAN YOU HELP DOUBLE SPONSORSHIP MONEY?

Malcolm Childs will again be running The Royal Parks Half Marathon on Sunday 9th October for The Holly Lodge Centre charity no 1076741 web site [www.thehollylodgecentre.org.uk](http://www.thehollylodgecentre.org.uk) .

He is aiming to raise £750 and if he does so his former employer Barclays PLC will match up to this figure. I have established a fundraising page for this purpose to allow friends and supporters to help my efforts. This is [www.everydayhero.co.uk/malcolm\\_childs](http://www.everydayhero.co.uk/malcolm_childs)

Any support will assist the charity in developing the Centre for 'special needs' groups in Richmond Park.

# CHAIRMAN'S CHATTERINGS

## Cordles' Run – Sunday, 21 August

Thanks and congratulations are due to Richard and Linda for another superb Annual Cordles' Run. It was a warm and sunny day and the route to our final destination, Beaver World, was excellent, taking us through many picturesque country lanes and villages of Surrey, Sussex and Kent. At the finish we had our own special parking arrangements in an adjacent field, where we were able to relax and enjoy a leisurely picnic. There were one or two sneaky clues to be answered and it was good to see over 40 members taking part. The overall winners will be announced this evening.

## September Monthly Meeting – Auction Night

This evening we are holding another auction night. This is not confined to car parts and automobilia, but anything that you think would be of interest and saleable to members.

As on previous occasions, half of the proceeds will go to club funds, the other half to the seller, unless he or she wishes to donate the whole sum to the club. If any member wants a minimum return for an item, please specify the reserve price required, otherwise we will sell for the best price that we can obtain. Please mark your item for sale with your name and a reserve price, if appropriate. There will of course be no buyers premium.

## Abingdon Museum Fund Run

This is to advise members that the above run planned for Sunday, 11 September, has been cancelled due to the lack of sufficient entries. Monies will be returned to anyone who has booked for this run.

## October Monthly Meeting – Visit by the MG Owners' Club

Richard Monk, Richard Ladds and Roger Parker from the Club HQ will be attending the October monthly meeting. It is sometime since they last visited us and in order to allow them sufficient time to speak and answer questions from members, we wish to start this session no later than 8.30pm. So could I please ask all members to arrive early on this occasion so that we can achieve a prompt start by 8.30pm.

## 30th Celebration Barn Dance – Saturday, 29 October

To celebrate our 30th Anniversary we are holding a barn dance at the Nork Community Centre, on Saturday, 29 October, at 7.30pm. The price to include a fish and chip supper, will be £10 per person.

This is always a great fun evening and if you wish to invite family or friends to join you, they will be most welcome. So put the date in your diaries and support this celebratory event, which is being subsidised by the club. I am confident that you will have a most enjoyable and fun evening.

## Annual Darts Night - Saturday, 26 November

This will again be held at the Wallington Bowls Club and is always a popular evening, so make a note in your diaries now.

That's all from me this month. Safe motoring. Eric

## SOCIAL SCENE

### **Barn Dance**

This has been booked for Saturday 29 October at Nork Park Social Club and there will be live music and a fish and chip supper (veggie option will be available). The cost is £10 per person, so please bring yourselves, family and friends to celebrate 30 years of the Epsom Area MGOC. (See Chairman's Chatterings.)

### **Darts Night**

Saturday, 26th November – details elsewhere in the newsletter.

### **Real Ale Train**

Nigel Swan will be organising a trip on the Watercress Line's Real Ale Train in May next year. If enough people come we can have our own carriage – early booking is required so names and non-refundable deposits will be taken soon.

### **Skittles**

After a show of hands at last month's meeting, there was good support for another skittle's night which will be booked for Spring next year.

### **River Wey Packet Boat Trip**

This will be planned for next summer.

Please keep your ideas and suggestions coming in. Happy socialising. Margaret.

## MEMBERSHIP MUSINGS

I am pleased to be able to report that we continue to attract new members. Last month we welcomed 2 and they are:

Bruce & Pauline Hamblin who have a red 1972 MGB Roadster

Nick Jones who has a Silver 2002 MG TF VVC.

A very warm welcome to everyone and I hope they will enjoy being a part of our little club.

In August, the Natter was at The Star, Malden Rushett. There were an excellent 34 people there and I am told that everyone enjoyed their meals.

The September natter will be from 7pm on Thursday 22nd September at The Fairmile, Portsmouth Road, Cobham, Surrey, KT11 1BW. If you change your mind after the show of hands at the monthly meeting, please let me know by phone or email so that I can ensure that there are enough seats for everyone at the pub.

That's all for this month. Keep on enjoying those MGs and I look forward to seeing you out and about during the coming months. Foggy

# CAR EVENTS

## Autumn Leaves Run - Sunday, 16th October

This year's Autumn Leaves run will be through the leafy Surrey countryside and will be approximately 30-35 miles. We have invited the Austin Healey Club to join us for this event. The run will end at The Plough, Leigh, near Reigate (where we have been before) and arrival for participants and those going direct to The Plough should be from 12 noon onwards when lunch will be served. Names and numbers for lunch to Derek Edwards please prior to the start of the event on 01737 765891.

For those of you who intend to participate the start will be at The Jolly Farmers public house (1 mile west of Reigate on the A25) at 10.30 for departure by 11.00. Tea, coffee and toilets are available at the start. Location plans for the start and finish will be at the back of next month's newsletter.

## One Day Continental Tresor Hunt, St Omer area, France - Saturday, 12th November

Further details of this year's event will be in next month's Octagonal News. This is not a serious event but a light-hearted excursion. If you do require any further information at this stage please contact me on 01737 765891.

Please come and join in the fun.

Derek Edwards

Eric Nicholls  
Chairman  
Epsom Area MG Owners' Club

08 August 2011

Dear Eric,

Thank you very much for your recent letter enclosing a cheque for £50.00 for the Holly Lodge Centre.

I am so glad your members enjoyed their afternoon at the Centre and we very much appreciate your kind donation.

Please pass on our sincere thanks to your members.

Yours sincerely,

Dr. Pat Ealey- Project Manager,  
The Holly Lodge Centre.

## SECRETARY'S SCRIBBLINGS

Thank you to everyone who brought their MGs to last month's Pride of Ownership competition, it was an excellent turnout with 45 cars and the selection of the overall winner must have been difficult. I even heard that one member was actually polishing his car at 6am on the day of the competition before he went to work – that is dedication! Many congratulations to the winner who will be announced tonight.

A big thank you to Richard and Linda Cordle for yet another superb annual run and overall it was a great day. The route through Surrey, Sussex and Kent country lanes, the finish at Beaver Water World and the weather were all excellent. Over 40 members thoroughly enjoyed the day and all had nothing but praise for the whole event. It was also good to welcome Kim back into our fold with poor Dented Della, who received much attention from everyone inspecting her new patina. I do hope that she isn't scrapped, because she is a lovely car.

I would also like to thank the many Epsom members for supporting the MG Car Club, South East Centre, Summer Celebration at Loseley Park on Sunday 7th August, just a month after our own event there. By the end of the day there were over 200 MGs and 45+ Jaguars and, with the various MG displays, Gymkhana, House & Gardens plus a Craft Fair, there was lots to interest and entertain all. I received a nice thank you letter from Doug Bush, club Chairman saying "Without the help of volunteers like you we would not have been able to put the event on for our members and other classic car enthusiasts".

It was pleasing to see modern MGs winning competitions, A ZR received first place in the Concours and a TF Spark came second in their standard Pride of Ownership competition. Both were stunning cars and deserved to win. It was also good to see the MG Metro of Sarah Bingham being the overall winner of the Gymkhana. I think that Alan Bradley's brother-in-law would have been a close contender if he had not obliterated the cones on the finish line of my stage. His times were equal to the Metro (discounting the penalty) and his skilful driving provided a wonderful display for the spectators. Unfortunately his MG decided that the cone crushing was embarrassing, developed a misfire and had to be retired.

We welcome Chris Sales back this month as an Epsom member. He decided to not renew his membership at the beginning of the year as he intended selling his "Y" type and would be without an MG. Chris has now bought a stunning 1958 Varitone Blue ZB Mquette, formerly owned by Reg Boulton. I have told him that Reg was a long standing member at Epsom, even after moving to Pontefract, and that he owned Wyatt which he sold to Kim in 2005 when he bought the Mquette; it is a small world in MG circles

The Abingdon Museum Fund Run that was planned for Sunday 11 September has been cancelled due to lack of support. The MG Car Club and the MG Owners Club had jointly hoped for about 100 cars starting from each of the four start points, which would raise a further £10,000 for the Museum Fund. As less than 40 applications had been received by the middle of August, which made the whole event unviable, the entrance monies already paid will be returned in full.

Tickets for the 30th Anniversary Barn Dance will be on sale for the first time tonight, so dig deep and buy yours early to avoid disappointment.

I will be organising the Annual Epsom Area Darts Championship at the Wallington Bowling Club on Saturday 26th November; please make a note in your diaries now and I will take participant names at the November Monthly meeting.

I have offered to help with marshalling at the MG Car Club Autumn Gathering at Michelham Priory, Upper Dicker, Nr Hailsham, East Sussex BN27 3QS on Sunday 25 September - you can pre-book or just turn up on the day. Gates open at 10.00am and the discounted entry which also covers the house & gardens is £10 per car (2 Adults) or, just for Kim, £6 per car for 1 adult!! ~ look forward to seeing many of you there.

Our 30th Anniversary regalia is still selling like "hot cakes" and really looks good being worn by so many members at events. I now have t-shirts in almost every colour that is available. Eric will again be taking orders at tonight's meeting, for next month. Please don't forget we have the new key rings at £2 each and windscreen stickers at £1 each.

## SECRETARY'S SCRIBBLINGS (CONTINUED)

Much has been written in the motoring press about Ethanol in fuel and the effect it is likely to have on classic car engines and their fuel systems. The Federation of British Historic Vehicle Clubs is currently testing the various additives that are available to add to the fuel to combat its corrosive effects. I will reprint their findings as and when they are available. Ethanol in fuel does not have the same effect on modern cars because of the amount of plastics that are used in the fuel systems.

I am going to a talk by Sir Richard Noble about the Bloodhound SSC Project at West Sussex MG Owners Club monthly meeting on Monday 12 September. I was just wondering if there would be enough Epsom members who would be interested in Richard Noble giving the same talk to us. Please let me know if any of you would be interested, there will be a charge of £10 per person because Richard is trying to raise funds in any way he can. Have a look at the website at [www.bloodhoundssc.com](http://www.bloodhoundssc.com).

Now it is time for the joke, a short one this month and thank you to the source.

Dave and Jim were a couple of drinking buddies who worked as aircraft mechanics in Melbourne, Australia. One day the airport was fogged in and they were stuck in the hangar with nothing to do.

Dave said, 'Man, I wish we had something to drink!' Jim says, 'Me too. Y'know, I've heard you can drink jet fuel and get a buzz. You wanna try it?' So they pour themselves a couple of glasses of high octane booze and get completely smashed.

The next morning Dave wakes up and is surprised at how good he feels. In fact he feels GREAT! NO hangover! NO bad side effects. Nothing! Then the phone rings. It's Jim. Jim says, 'Hey, how do you feel this morning?' Dave says, 'I feel great, how about you?' Jim says, 'I feel great, too. You don't have a hangover?'

Dave says, 'No that jet fuel is great stuff - no hangover, nothing. We ought to do this more often.' 'Yeah, well there's just one thing.'

'What's that?' Have you farted yet?'

NO!

'Well, DON'T – 'cause I'm in New Zealand.

That's enough for this month, kind regards, BRYAN

## SPECIAL EVENTS 2011

### ABINGDON MUSEUM FUND RUN

For some months I have been telling you of a proposal to raise money towards the refurbishment of Abingdon Museum. Bryan Moylan of the Abingdon MG Car Club had got together with the MG Owners' Club to plan an event due to take place in September of this year. The plan was to organise four road runs converging on Abingdon. We at Epsom agreed to be responsible for participants in the South. The plan was for us to manage the departure of a number of cars leaving from Bocketts Farm. This would be very similar to our Surrey Run but on a much smaller basis. The Owners' Club were to take care of the route and all other aspects at Abingdon.

Unfortunately, it would seem that, despite a significant effort on their part, the Owners' Club have had a very poor response. So few cars have registered that they have had to re think the whole exercise. I have now officially heard from Cambridge that they have decided to cancel the event. Many of those that did register were in fact leaving from Bocketts Farm, but this number was less than 30 cars. Every one that did book will have a full refund. My thanks go to all who offered help but you are now free for other things on the 11th September. I am sure that we will have other opportunities in time to come.

NIGEL

## SURREY RUN 2011 – MG6

Although Painshill Park and Bocketts Farm are only about 6 miles apart, as the crow flies, what a pleasant 75 mile run this was. All the quiet lanes, picturesque countryside and a good route guide, provided a successful and enjoyable run. We were able to drive about a 1/3 of the route before the heavens opened and the hood closed. This did not detract from our appreciation of the run and a good day out.

As West Sussex residents, much of the run was on familiar territory and as such, enabled us to detour a little so as to have lunch at one of our favourite haunts, The Black Horse at Byworth, (their Sunday roasts and fish and chips are magnificent!).

At the end of the run, we made a soggy dash to the Café for a welcome cup of tea. Whilst there, Ted came in to tell us that we had won the draw for a week's use of a MG6. Sorry Ted, but we thought you were joking, so carried on with our tea, but your frantic banging on the window got us running! It still was a bit unbelievable even when we were 'presented' with the car key for a photo shoot. The presenter was Zack Sumner of SMC cars of Datchet.

Subsequently, we arranged to pick up the car on 6th August for the week and did some 500 miles in it. The car was the MG6 SE Turbo model, with an up rated K series engine (which is very much more powerful than the one in my MGZS!) a top rate chassis and suspension. It handles very well, with a smooth, but positive ride and has one of the biggest boots that I have seen.

There are one or two small design niggles (but what car does not), but it is certainly a good first effort for a sporty family car and I hope in due course, that any prejudice against this car joining the marque is softened and that the car is a success.

Thank you Surrey Run and SMC.      Geoff and Lynn Trigger

# REGALIA

Welcome to our regalia page. We want you to be as proud of your club as you are of your cars and nothing looks better at an event or on a run than Epsom members wearing the club colours.

We are about to launch our new range and details and order forms will shortly be available

Don't forget that we can also offer you Castrol Valvemaster Plus - the MGOC approved additive for leaded engines at a price less than the high street retailers.
