EDITOR'S ETCHINGS

Welcome to my second attempt at editing the Club Newsletter. Last Month seemed to go ok and many thanks for those who emailed or spoke to me on receipt of February's Newsletter. February was a good month for the Club with an interesting talk from Justine Robinson, at our Monthly Meeting and our Annual Valentines Treasure Hunt. However the launch of our new Website at www.epsommgoc.org.uk has been delayed until March 2018 as switching over the old site is taking longer than expected. I am happy to receive photographs for this publication so don't forget to take your cameras when out and about on MG events.

Members might be interested to know that myself and Tony Briant went to the London Postal Museum and Underground Railway in February. For those thinking of doing this on 16th June, after the Club Guided Walk, we can recommend it!

Also, you may be interested in the **FREE RP1 Richmond Park Bus** service which starts again on **Wednesday 4th April 2018** and runs **every Wednesday** until **31st October 2018**. Three of the Volunteer drivers are members of Epsom MGOC:- Tony Briant, Malcolm Childs, and Ian Robinson so you are sure of a warm welcome if you step aboard during 2018. Details of the timetable for 2018 can be found on The Richmond Park website under "Visitor Information" and then "Free Minibus Service" and also in the "Isabella Plantation" section. The Bus Stops around the Park will have the timetable in situ by mid-March.

CHAIRMAN'S CHATTERINGS

Justine Robinson – Gilding the Lily

Following Justine Robinson's talk about writing and self-publishing her book "Gilding the Lily", copies of the book were available to purchase for £7.99 per copy. The demand was so good that she sold out of all the copies she had with her, at last month's meeting.

Some members wished to purchase a copy but were unable to do so but despair not, as Justine will have additional copies with her at tonight's meeting for you to purchase.

March Monthly Meeting – Auction Night

This evening we are holding another Auction Night. The auction is not confined to car parts and automobilia, but anything you consider would be saleable and of interest to members. As on previous occasions, half the proceeds will go to club funds, the other half to the seller, unless you wish to donate the whole sum realised to the club. If any member wants a minimum return for an item, please specify the reserve price required, otherwise we will sell for the best price we can obtain. Please mark items for sale with your name and reserve price if applicable. There will of course be no buyer's premium.

That's all from me this month. Safe motoring.

Eric

Epsom MGOC's guided visit to the Architectural Plant Centre at North Heath near Pulborough, West Sussex, RH20 1DJ will take place on Saturday 1st September 2017. Margaret

SURREY RUN 2018

I am sure that as the warmer weather arrives it will be reflected by the pleasing number of entries that Pat has already received for our **SURREY RUN**, due to take place on **Sunday 15th July**. The ground breaking news to report this month is that the **Epsom main MG Motors dealership, BELMONT GARAGE LTD**, has confirmed that they will be our major sponsor for this event finishing at **Chiddingstone Castle** near Edenbridge in Kent. In return we have agreed to support them with a few displays of our cars at some of their own promotions. So, keep your MGs well polished.

With regard to the Castle building, it is on a site with origins dating back to the 1500's. In the 1670's an early Tudor timber frame dwelling was transformed into a High Street House before taking on the style in 1792 of the castle that you see today. It is a fascinating structure set in 35 acres of informal gardens with breath-taking views of the Greensand Ridge below the North Downs. It has large lawns for picnics, a tea room, a rose garden and a Grade II Victorian Orangery. By the lake you can cross the wooden bridge that leads directly into the picturesque Tudor village of Chiddingstone.

Inside the Castle, you will see a number of rooms including the 19th century kitchen that retains many of its original features. There is also a servants' hall and a servants' bedroom. The Castle also holds some archives of local history. In 1955, the castle was purchased by a former bank clerk and antiques dealer called Denys Eyre Bower in order to display his collections. The collections on display include swords and armour from Japan and an Ancient Egyptian collection spanning the whole history of the civilization including both grave goods and items from everyday life. There is also a Stuart and Jacobite section including royal manuscripts and portraits of members of the House of Stuart. There is an extensive collection of antique books on the subject of Buddhism, a topic that also interested him. Bower left the castle and his collection to the nation in trust to continue care for the castle and its collection while opening it to the public.

BELMONT GARAGE LTD, as a significant sponsor will make a positive difference to our final fundraising figures so I will keep you informed of progress. As you know details and a booking form can be found on our Epsom web page but have added a booking form at the end of this article for members as I am sure it will be a great day. Nigel.

SECRETARY'S SCRIBBLINGS

I would like to thank Derek and Anne Edwards for yet another excellent Valentines' Treasure Hunt on Sunday 18th February and for the lovely weather that was specially arranged for the day! A good many Epsom and MG Car Club members took part in the 20 mile run (many with their hoods down), attempted to answer all forty questions, working their way around the road closure, finishing at The Plough in Leigh, where everyone enjoyed a superb Sunday lunch. The scoring was extremely close again this year, Congratulations to both the Epsom and MG Car Club winners, the full results are shown elsewhere in this newsletter.

I would like to remind members that I have reserved parking spaces for 25 Epsom cars at the Arundel Castle Gathering on Sunday 15th April. I have already filled 13 of the spaces and would appreciate knowing in advance if more members are considering coming, so I can confirm the numbers closer to the date. I will publish final details next month.

It was good to see so many Epsom members at the MG & Triumph show at Stoneleigh last month. It was a very successful show and the continuing doubts about mixing the two marques were unfounded, although I thought the Triumph presence was greater than MGs this year, additionally both the MGOC and MGCC were missing again - everyone blended well and the attendance of 14,000 was exceptional.

The Pride of Longbridge event at Cofton Park (opposite the MG Motor Ltd factory in Lowhill Lane) will be held on Saturday 14th April from 10.00 am to 4.00 pm and is free to enter. This event is being extended again this year to include other MGs and BL/BMC/Rover marques not originally manufactured at Longbridge. The organisers are anticipating the attendance to be more than 2,500 cars.

We have again been invited to the Classic car show at Victor Seymour Infants School in Carshalton on Saturday 12th May; I have reserved 10 spaces and feel sure that I can coerce some more members to attend this worthwhile charity event, so please let me know if you are able to come.

Epsom members may be interested in attending "MGs IN THE PARK" on Sunday 17th June 2018; this event is organised by the Oxfordshire MG Owners Club and is held at The Cotswold Wildlife Park, Burford, Oxfordshire. No need to book, just turn up. It's free to enter for MG & driver, passengers pay £3 each and the park opens at 10.00 am and closes at 6.00pm. 650 MGs attended last year.

I have just been advised that the Westbourne Primary School Classic car show will be held on Saturday 30th June 2018 application forms will be available shortly.

FOR ALL MGF and TF Owners

I have agreed to help Adrian Clifford, ex MGF Register registrar who has spent the past 12 years in compiling an accurate register of all the 120,000 MGFs and TFs, that were built, including the SAIC ones; the exact production figure is actually 119,977 (MGF 77,269, MGTF 41,803 & SAIC 905) but there is still a considerable amount of information missing. For instance, all of the bodies were numbered by the third party supplier during manufacture, but MG Rover decided, in their wisdom, to not record these numbers alongside the Vehicle identification numbers (VIN). Also, many of the original supplying dealers were not recorded. What makes matters more difficult is that the incomplete and inaccurate MG Rover factory records were sold by the Receivers to a third party company who now charge a king's ransom for even a build date!!

I have offered to help Adrian with his ongoing task by providing details of the MGFs and TFs that are currently owned by Epsom club members, obviously with your consent, although most of the information may already be known. This is how I am able provide birth dates and other information on the free certificates I produce, I can also ask Adrian to provide Heritage Certificates, which are also free of charge. I will be making direct contact in due course to ask for information about your F or TF.

Now it is time for the joke this month, a short one and thank you to the source.

An out of work sailor found a job as a deck hand on a submarine. All went well till he was found floating in the middle of the Atlantic. When he was rescued by a passing ship, he was hauled aboard and put in the sick bay. The Doc looked him over and said he was lucky to be alive. LUCKY, he said, I think I am Lucky, I was doing my duties on deck when the skipper yelled out DIVE DIVE DIVE so obeying orders I dived over the side and just as I did the Bloody boat sank.

I think that is quite enough for this month.

Kind regards. Bryan and Piggy

REGALIA RAMBLINGS

Gosh where did February go!

Following my plea last month for ideas regarding items that might be of interest to members - there's been some feedback (not a lot!) which has been useful.

I'm looking into these suggestions and investigating possible suppliers and importantly getting an idea of costs. I will report back in due course.

In conclusion I would remind members that I still have some regalia stock—namely:

250ml bottles Castrol Valvemaster Plus lead replacement petrol additive (£10 each)

Key Rings (£2)

Batteries (size 2032) for car remote controls and clocks (£1.50)

If anybody is interested in purchasing any of the above, please let me know.

Tony Pearce
