# EDITOR'S ETCHINGS

Welcome to my latest attempt at editing the Club Newsletter. Last Month seemed to go ok and many thanks for those who emailed or spoke to me on receipt of March's Newsletter. I am sorry for the problems in delivery of the last Newsletter but our old website was closed down as I sent the email attachment. The launch of our new Website at [www.epsommgoc.org.uk](http://www.epsommgoc.org.uk) is now complete and I have to say it is of benefit to our Club to look so good! I am happy to receive photographs for this publication so don't forget to take your cameras when out and about on MG events.

A quick note that at our June Meeting on Thursday 7<sup>th</sup> June 2018 we will be having a talk on "The Natural History of the Elmbridge Commons by "Dave the Ranger" i.e. the Countryside Estates Officer for the Borough of Elmbridge.

Following the changes to the Website I now receive any approaches to the Club via email. I have received a note from the organisers of "MG's in the Dolomites" a tour from 16<sup>th</sup> September 2018 to 23<sup>rd</sup> September 2018 in Northern Italy and the Tyrol in Austria and I can provide information to members either by email or at the April meeting.

As I mentioned last month, you may be interested in the **FREE RP1 Richmond Park Bus** service which starts again on **Wednesday 4<sup>th</sup> April 2018** and runs **every Wednesday** until **31<sup>st</sup> October 2018**. Three of the Volunteer drivers are members of Epsom MGOC:- Tony Briant, Malcolm Childs, and Ian Robinson so you are sure of a warm welcome if you step aboard during 2018. Details of the timetable for 2018 can be found on The Richmond Park website under "Visitor Information" and then "Free Minibus Service" and also in the "Isabella Plantation" section. The timetable is also located on each of the Bus Stops around the Park.

# CHAIRMAN'S CHATTERINGS

## Justine Robinson – Gilding the Lily

Following Justine Robinson's talk about writing and self-publishing her book "Gilding the Lily", copies of the book were available to purchase for £7.99 per copy. The demand was so good that she sold out of all the copies she had at February's meeting but despair not, the Robinsons will have additional copies with them at the April meeting for you to purchase.

## April Monthly Meeting – Auction Night

This evening we are holding another Auction Night. The auction is not confined to car parts and automobilia, but anything you consider would be saleable and of interest to members. As on previous occasions, half the proceeds will go to club funds, the other half to the seller, unless you wish to donate the whole sum realised to the club. If any member wants a minimum return for an item, please specify the reserve price required, otherwise we will sell for the best price we can obtain. Please mark items for sale with your name and reserve price if applicable. There will of course be no buyer's premium.

That's all from me this month. Safe motoring.

Eric

## **Saturday 16<sup>th</sup> June—Guided London Postal Walk**

Epsom MGOC Guided Walk with guides John Morgan and Marion Clarke. Cost for the London Walk is £7pp and the walk lasts approximately 2 hours. Meet at 10.45am for 11am start at the Bank of England Junction on the Steps of the Royal Exchange London. This is a pedestrian area outside of Bank Underground Station. There will be a lunch break in Farringdon and possible suggestion for refreshments is 'The Sir John Old Castle' as the costs are reasonable and the service is usually fairly quick.

I regret the Club are unable to organise a group visit to the London Postal Museum as groups are not catered for at Weekends. However, you may book yourselves for an afternoon visit direct at [www.postalmuseum.org](http://www.postalmuseum.org) Cost including the Underground Post Train is around £13.00 per head.

## **Saturday 1<sup>st</sup> September 2018 Guided visit to the Architectural Plant Centre (Nil Cost)**

Epsom MGOC's guided visit to the Architectural Plant Centre at North Heath near Pulborough, West Sussex, RH20 1DJ will take place on Saturday 1<sup>st</sup> September 2017. ## **Sunday 21<sup>st</sup> October 2018 Visit and Tour of Kempton Steam Museum**

Cost per car £5.00 (regardless of number of people in car) time 9.30am-10.00am.

# MEMBERSHIP MATTERS

The start of 2018 has continued to go well with some 103 annual memberships completed for 2018. Members who have not yet re-joined will no longer receive reminders to decide whether they wish to continue for the year ahead. Any member needing an application form can find one on the web page or ask/email me for an application form.

Following a request from Belmont Garage Ltd (MG Motors Dealership at Tattenham Corner) we now have a dedicated poster in their showroom offering the chance for new MG Owners to join Epsom MGOC. A copy of this poster was included in February's newsletter and further copies can be obtained from me if Members wish to promote the Club.

Please do speak to new or existing MG owners you might meet to promote the Club, should you be comfortable doing this, as our new website is a great way of promoting Epsom MGOC.

There have been no new members during March.

Malcolm

David Piper's original Ferrari 250 GTO (Chassis No 3767 purchased 1962) seen with your Editor on a visit to the Ferrari Exhibition held at the Design Centre in High Street Kensington. Ferrari only made 32 of these cars and each one is worth £25Million each! The exhibition runs until 15<sup>th</sup> April 2018 and is well worth a visit as it covers Enzo Ferrari's personal life and the design and engineering of his cars. Many of the artefacts have come from the Ferrari Museum in Italy, or from a private collection.

# SURREY RUN 2018

Time is marching on but at the time of writing this article the weather is still looking slightly gloomy. I do hope that brighter Spring type conditions reach us soon. I am pleased to say that this does not seem to have put off the applicants for our big annual charity fund raising event i.e. our **SURREY RUN**, due to take place on **Sunday 15th July** finishing at **Chiddingstone Castle** near Edenbridge in Kent.

April is the month where we see the first of our main adverts appear in "**ENJOYING MG**", the National magazine of the MG Owners' Club. This will be the first, followed by larger versions each month finishing with full page adverts in June and July. This is quite a relief as during the last couple of months our announcements in the "Forthcoming Events" section have been compromised due to a lack of space. The result of a vast number of other early events being reported has produced a temporary cut off at the end of June, i.e. not including us. This generally happens but as the months pass this situation is always rectified and fortunately we have been included in "MG ENTHUSIAST".

I have now received the rally plates for 2018. These display the details of our new sponsor, **BELMONT GARAGE**, the Epsom main MG dealership. We will also soon be thinking of the route planning. This will include Surrey, Sussex and Kent leading to the Chiddingstone area offering some picturesque village scenes.

I gave details last month of sights that you will experience at the castle and I have included a photo this month taken on one of my planning visits that you may find amusing. I can only describe it as a typical youth work opportunity scheme that may have taken place in the 1700's. I am not sure my two granddaughters would have been so keen.

As you know details and a booking form can be found on our new up and running **EPSOM MGOC WEBSITE** [www.epsommgoc.org.uk](http://www.epsommgoc.org.uk). I have also added a booking form at the end of this article for members. I am sure it will be a great day. **NIGEL**

# SECRETARY'S SCRIBBLINGS

I still have 10 spaces to allocate so if you are thinking of coming to the **Arundel Gathering on Sunday, 15<sup>th</sup> April** would you let me know so I can confirm the pre-arranged area for all Epsom cars to park together. We will meet as normal in the Bury Hill car park from 9.15 am onwards for bacon butties and coffee, leaving at 10.15 am sharp to travel in convoy to the Castle. If you prefer to go straight there, the gates do not open until 10.00 am and the Castle entry fee will be £9 per person. When you get there ask for the Epsom parking area on the Top Lawns. This gathering is always well attended and is a good day out; I hope that many of you will be able to attend.

I have reserved 10 spaces at the **Victor Seymour School Classic Car show** on **Saturday, 12<sup>th</sup> May** in Carshalton. I just need to find five more willing volunteers to fill the remaining spaces.

The Oxford MG Owners Club have invited Epsom members to again attend their annual **MGs in The Park** gathering at the Cotswold Wildlife Park on **Sunday, 17<sup>th</sup> June**, between 10am and 4pm. It is free to enter and advance booking is not required. This is always a very popular event and they are expecting more than the 600 MGs that attended last year.

I have now received confirmation that the **Westbourne Primary School Classic Car Show** will be held on **Saturday, 30<sup>th</sup> June**. I have advised the organizer that Epsom are already committed to the **4<sup>th</sup> Worcester Park Scouts Classic Car Show** on the same day. However, if anyone wishes to attend the Westbourne show, I can give you an application form.

Now is the time for the monthly joke and thank you to the source.

The following questions were set in a recent examination. These are genuine answers, from 16-year olds! ..... they walk amongst us and they will breed.

Q. Name the four seasons.

A. Salt, pepper, mustard and vinegar

Q. In a democratic society, how important are elections

A. Very important. Sex can only happen when a male gets an election

Q. How is dew formed.

A. The sun shines down on the leaves and makes them perspire

Q. What causes the tides in the oceans.

A. The tides are a fight between the earth and the moon. All water tends to flow towards the moon, because there is no water on the moon, and nature abhors a vacuum. I forget where the sun joins the fight

Q. What are steroids.

A. Things for keeping carpets still on the stairs

Q. Name a major disease associated with cigarettes.

A. Premature death

Q. What is artificial insemination.

A. When the farmer does it to the bull instead of the cow

Q. How can you delay milk turning sour.

A. Keep it in the cow

Q. How are the main 20 parts of the body categorised (e.g. The abdomen)

A. The body is consisted into 3 parts - the brainium, the borax and the abdominal cavity. The brainium contains the brain, the borax contains the heart and lungs and the abdominal cavity contains the five bowels: A, E, I, O, U.

Q. What is the fibula.

A. A small lie

Q. What is the most common form of birth control.

A. Most people prevent contraception by wearing a condominium

# SECRETARY'S SCRIBBLINGS Cont.

Q. What is a seizure  
A. A Roman Emperor

Q. What is a terminal illness.  
A. When you are sick at the airport.

I think that is quite enough from me for this month!

Kind regards

Dear Marion

Re: donation

I am writing to thank you and the fellow members of the Epsom Area MG Owners Club, for your kind and generous donation.

The money that you kindly donated will be used to support victims of rape and sexual abuse who are in desperate need from across Surrey and the surrounding area.

Sadly, the need for our work continues to grow. We are currently inundated with vulnerable people who are waiting to access our counselling service, so this donation will help us to meet that need.

It is so pleasing to read that you are aware of our work and its impact. Thank you for endorsing the case study which we offered with it.

Once again thank you for your support and please do pass our very best wishes on to all the members of the club.

Yours sincerely

Dear Susan

Please accept this letter as receipt for your wonderful donation of Three Hundred Pounds. The money will be used towards the cost of recent veterinary bills.

It is the support of people like yourselves which enables the charity continuing to help improve the lives of people with disabilities and special needs. We do not receive guaranteed funding from any source.

As local authorities continue cutting back on the services they are able to offer, we expect more people turning to the Centre for help and support. In 2017 we received 8600+ visits which is an increase of more than 1000 on the previous year.

You friends and colleagues are very welcome to come along to see what we do and maybe make use of Cedar Tea Room. Just let me know beforehand.

Once again, many thanks for your wonderful continued support which is gratefully appreciated.

Kind regards and best wishes

# REGALIA RAMBLINGS

March has now come and gone!

Following my plea last month for ideas regarding items that might be of interest to members, there's been some feedback (not a lot!) which has been useful.

I'm looking into these suggestions, investigating possible suppliers and importantly getting an idea of costs. I will report back in due course.

In conclusion I would remind members that I still have some regalia stock—namely:

250ml bottles Castrol Valvemaster Plus lead replacement petrol additive (£10 each)

Key Rings (£2)

Batteries (size 2032) for car remote controls and clocks (£1.50)

If anybody is interested in purchasing any of the above, please let me know.

Tony Pearce
