There was a good turnout of MGs for this year's Pride of Ownership Competition for the Penny Broughton Memorial Trophy and many excellent examples of members MGs were on display.

It was a warm sunny evening and thanks are due to John 'Foggy' Brooke for all the administration of the event and to Bryan Young, Malcolm Childs and Mick Loynes for the marshalling duties. The winner of the competition will be announced at our meeting on 2nd August 2018.

Surrey Run 2018

The day started with warm sunshine which continued throughout the day. This year's run was a great success with over 170 cars signed up. Our thanks go to Nigel Swann who organised the whole event, John 'Foggy' Brooke for another excellent route, the start team at Bocketts Farm and Ray Reeves' team of marshals at the finish. Also to Paul Coleman for providing the equipment, to Kim Shrosbree and Tom Pope for the photography of the cars as they left Bocketts Farm and not forgetting all the Epsom Area members who took part on the run themselves. All run entrants were assured of a warm welcome from the Epsom Area team and many favourable comments have been received with regard to the route and organisation of the event from those taking part. Well done to everyone involved.

SURREY RUN 2018

Well what a weekend, but I must first say how pleased I was with our SURREY RUN 2018 that took place on the 15th July. This is a time when the Epsom Area is on show to a great number of MG enthusiasts from many other groups and organisations. I felt so proud of our membership showing such a keen and professional approach. Believe me this is very well noted by others. I have received a great number of very complimentary comments both when mixing with our visitors on Sunday and in many emails since.

Mind you it was not without its ups and downs. On the afternoon of Saturday, the day before the Run, I was quietly watching one of my granddaughters performing on the stage at a local school when I had a call from Foggy to say that there was a last minute road closure on part of the route. By that evening he had worked out an alternative that Kevin had tested and then produced over 200 copies of this diversion for inclusion in the Run Sheets for the next morning. Our registration team had about 180 paid up entries and did a sterling job passing this changed information on to all the participants. As in previous years, the start point was once again hosted by Bocketts Farm and they reported record sales in breakfast meals. This left time for a vital trip to any other facilities that may be required before setting off under the official start banner. This moment was captured once again by Kim and Tom, who were ready to photograph each car as it set off. If you have not already ordered a copy of your special photo, then please contact Kim and for a small sum she can provide you with a memento of this occasion.

There is often a certain amount of luck in the success of these matters and despite all our hard work in planning, the weather can be a significant factor. Unlike last year when we had torrential rain, this year we were blessed with beautiful sunshine. This fact coupled with cars parked in the beautiful setting of the Chiddingstone Castle grounds gave an absolutely tranquil setting for those lunching under the trees by the lake. What more could you wish for. I do hope you found time to explore the 15th century village just over the bridge. We had a wonderful range of cars including models that we had not seen before, all parked by Ray and his expert team of marshals. Our sponsor, Belmont Garage Ltd., were also seen in attendance displaying a new range of MGs suitable for the whole family.

As the Run started, each car entered was given a numbered ticket and at the end of the day a prize draw was conducted by Donna representing the Chiddingstone management team. We choose this option in order to avoid any hint of Epsom corruption! This proved a wise precaution because Pat Watson's son, Simon, number 126 won first prize. Second to be selected was Mick Dunlop, number 41 from Whitstable in Kent and third prize went to Tom Joslin, number 94 from Egham.

There will be a full report with lots of photos in the September issue of Enjoying MG but I would like to say to everyone involved in the planning and especially to the members that took part in the actual Run, a very big personal thank you. With all your help we have exceeded our targets for yet another year of donations to worthy causes.

CORDLE'S RUN 19TH AUGUST 2018

Sunday 19th August
2018

Winkworth Arboretum

On Sunday 19th August, the Cordle's Run will be leading you through pretty Surrey lanes on a scenic tour ending up on the National Trust property of Winkworth Arboretum. As this is fairly close to home we have plotted a circular route, hopefully finding a few lanes we haven't used before, but will still only be about 40 miles, with the advantage of a shorter direct route home. We will also have an 'easy fun quiz' for those who wish to partake, to exercise your brain on the journey.

Created in the early 20th century by Dr Wilfrid Fox, this hillside arboretum has now been maintained by the National Trust for 60 years and has built up an internationally significant collection of more than 1,000 different species of shrubs and trees, many of them rare. Visit any time of year for a stroll through the personal plant collection of one man, who was passionate about plants. The Collection and setting are too unique to ever disappoint. Winkworth is more of a woodland garden than a traditional arboretum, and the design has been called 'a masterpiece of planting'. There are large stands of woodland with winding trails leading past 2 lakes, through richly planted stands of holly, azaleas, and rhododendrons and rare plants seldom seen elsewhere. There are 46 hectares of gardens, set on a sloping hill side, with colour at every time of year. Summer highlights include flowering dogwoods. In autumn the maples come to the fore, with lush displays of reds and golds from American, Japanese, and Norwegian varieties.

There is an adult admission charge of £8 a person for non- National Trust Members, although the Tea rooms are outside for those who don't wish to partake of a stroll through the gardens. Dogs are welcome on a lead.

The club has been offered the parking location shown on the left. It is between the public car park and the entrance to the arboretum. We have space to line up the cars on each side to present a guard of honour to visitors and make a lovely display of MG's. The tea rooms are adjacent to our parking spot and outside the gardens with plenty of room for those who wish to partake of the traditional picnic behind the car.

Please note the starting place of the run this year is again at The Pheasant PH on the Reigate Road (A25) at Betchworth. Toilets, coffee and refreshments are available at the pub. We hope you will be able to join us. Cars will be leaving Reigate from 9.30 am onwards.

SECRETARY'S SCRIBBLINGS

A big thank you to the many Epsom members who contributed to our Surrey Run this year. Nigel Swann has written a lovely article about the event which is published elsewhere in this newsletter.

We had another great Club Stand this year at Whiteley Village on Saturday 21st July, with a good turnout of 25 lovely MGs ranging from David's 1933 L2 Magna, a fifties TF, two of Nigel's Midgets as well as many MGBs and Adam's GT; also Fs, TFs, two MG3's and a stunning Magnette. Martin brought his Triumph 2000 this year and Karl left the RV8 at home and brought his newly acquired GS. I eventually convinced Joan to bring her lovely Red SLK to join the other MGs. Our cars were displayed adjacent to another 20 or so assorted classics from the Surrey Classic Car Club which overall created a stunning display.

I would like to thank the 39 members for bringing their MGs to the Pride of Ownership competition last month and for joining in with this event. It was a stunning display and a very good mix of MGs to judge. Many thanks to Malcolm Childs and Mick Loynes who ably assisted with the parking and to John 'Foggy' Brooke for printing and issuing the entry forms and subsequently collating the results. Congratulations to the forthcoming winner, who will be presented with the Penny Broughton Memorial Trophy at tonight's meeting. Congratulations also go to the two runners up, with second and third places.

I hope to see many of you at the various events during August. I understand that a majority of the spaces have been taken up at Cranleigh using their new 'direct booking system'. You must display your official passes on the car otherwise you won't be allowed in and it is advisable to get there early. Hopefully our Club stand will be in front of the Arena again and adjacent to East Surrey MGOC.

The Cordle's Run on Sunday 19th August to the Winkworth Arboretum will be a lovely run to do, with lots of easy questions to answer on the way. Full details of this event are published elsewhere in this newsletter.

I have booked a place on the South Downs Run on Sunday 2nd September; I have been advised they will not be able to accept any entries on the day. The route will start from Bury Hill car park, between 8.30 to 11.00 am, and tulip style route instructions will be provided. The entry fee is £22.00 and entry forms can be obtained or online booking made at www.wsmgoc.co.uk

Not really a joke this month but thank you to the source.

The Pope and Trump were on the same stage in Yankee Stadium in front of a huge crowd. The Pope leaned towards Trump and said, "Do you know that with one little wave of my hand I can make every person in this crowd go wild with joy? This joy will not be a momentary display but will go deep into their hearts and they'll forever speak of this day and rejoice!" Trump replied "I seriously doubt that! With one little wave of your hand? Show me!" So, the Pope backhanded him and knocked him off the stage! AND THE CROWD ROARED AND CHEERED WILDLY and there was happiness throughout the land!

Think that's quite enough from me.

Kind regards

Bryan and Piggy
