Just a quick plug for the free Bus Service in Richmond Park, operated by the Royal Parks and running every Wednesday until 30th October 2019. All the Volunteer Drivers are Members of Epsom MGOC and my thanks to Adrian Hutchings, Tony Briant, Ian Robinson and yours truly(!) for their efforts. Some 1300 people are carried each year and the round trip takes approx. 1hour and 10 minutes to see all the delights of the Park. Full details can be found on the Richmond Park website so Google "Richmond Park" and go to "Visitor Information" and the heading "Free Minibus" where you can get the timetable and pick-up points for the Minibus.

CHAIRMAN'S CHATTERINGS

July has been a busy and rewarding month for the Club.

Pride of Ownership

Thanks to the owners of the 41 MGs that took part in the Pride of Ownership Competition. There was a good selection of the marque on display, with some really excellent examples, making it difficult to choose who should receive the Trophy this year and the winner will be announced at the August monthly meeting. Thanks are due to Bryan Young, Malcolm Childs, Tony Pearse and Mick Loynes for undertaking the marshalling duties and to John 'Foggy' Brooke for looking after the administration of the event.

London Walk

22 members took part in the London Walk in the St James area of London with Marion Clarke our guide for the day. Thanks to Margaret Billinge for organising everything.

Lunchtime Natter

Nigel Taylor organised the Lunchtime natter at The Red Lion, Betchworth, where everyone who attended, enjoyed some very good food.

Surrey Run 2019

This is the most important event on the Epsom Area annual calendar as the profit from the run funds the charitable donations that we make each year to charities and groups nominated by the members.

Firstly, our thanks must go to Nigel Swann who once again organised the event, which this year was a return to The Rural Life centre at Tilford. The early light rain had stopped by 9.00am and the rest of the day stayed dry. We received many favourable comments for the route and the Rural Life centre itself.

Thanks must so go to Pat Watson for all the administration of the event, to John 'Foggy' Brooke for mapping out the excellent route, to Malcom Childs for checking the route and to Kevin Watson for the early start on Sunday morning checking there was nothing untoward on the route itself before the entrants left Bocketts Farm. We should also thank the start and finish teams for the excellent job they do receiving and greeting the run entrants, and to Paul Coleman who deals with all the equipment. Kim Shrosbree and Tom Pope for photographing all the run entrants as they leave Bocketts Farm, and lastly to the Epsom Area members who took part on the run itself.

Overall, another job well done by everyone concerned.

Whiteley Village Fete

22 cars represented the Epsom Area at this excellent annual venue. Apart from the very heavy downpour, the sun did come out and no further rain came our way. Thanks go to Rita Coleman, Sue Swann, Jan Cassar and Jane Mawer for providing cakes for everyone to enjoy, to Rita Coleman for the tea, coffee and biscuits throughout the day and to Paul Coleman for organising the event.

August Monthly Meeting

Tonight's theme for the evening is "Members Reply". We would like to ask all members to think about what the Epsom Area means to them in terms of the location, monthly meeting subjects, the range of car and social events and anything that you think we should be giving consideration to in the future.

I believe we have a robust organisation and the committee do a good job in managing the affairs of the Epsom Area. However, it is easy to become complacent and miss things that well may be important. The committee would welcome your comments and views, whether they be good or bad, so that we can undertake to make any changes which the members would like going forward.

August Events

Still another busy month ahead with two natters, Cranleigh Car Show, and the not to be missed Cordle's Run.

That's all from me this month. Safe motoring.

Eric

Saturday 20th July: Whiteley Village Fete, Weybridge, Surrey

The Club Stand was at this popular event. Some 20 MGs (plus 2 Members' other vehicles) from the Club attended for an excellent display. The weather was kind to us after a wet start and it was good to see several generations of families together. As most members know, this is an excellent day out so do think about attending in 2020.

To register and to join the Club Stand please go to <https://carshow.cranleighlions.org> When you enter all your details, please note that "Epsom Area MGOC" has a code so that you can join the stand. The Code is **HVN47AL** and this will advise the organisers of those who are joining our stand. The Club Stand will be in **Zone B at the Show**.

If you have booked individually, do come and see if there is room on the stand when you arrive.

THE CORDLE'S RUN

On Sunday 18th August, the Cordle Run will take you through Surrey and Sussex lanes on a scenic tour ending up at Sussex Prairie Gardens. This will be a fairly short run of about 40 miles, as we attempt to try and locate a few roads that we haven't used before, keeping as much as possible of the main roads. We will also have our normal 'easy fun quiz' for those who wish to partake, to exercise your brain on the journey.

Surrounded by mature oak trees the eight acre garden consists of a series of interlocking arcs of large planted borders in a naturalistic style. The borders encourage exploration and adventure and visitors are welcome to roam in amongst the mighty plants to further enjoy the experience. The plantings consist of large groupings of each variety, planted in free flowing style, which contrasts leaf forms, stems, stalks flower shapes and textures.

Colours are soft and muted, and complement the natural landscape. The borders serve as a living catalogue of plants used by Paul and Pauline in their garden design business, the plants themselves are the stock plants from which plants are taken into the farm nursery.

Both Paul and Pauline are keen to emphasise the beauty and wonder of perennial planting and to demonstrate the longer season benefits of perennials and grasses in dream combinations.

The borders, planted in the shape of a spiralling nautilus shell were planted in May 2008 with 40 of our friends and family who were totally behind us and supporting us with this amazing project.

Pauline has offered to give our group a short talk about the history and development of the gardens!

There is an adult admission charge of £8 a person, no concessions, although RHS members, with an asterisk on their card, are entitled to free entry. A Gardens World pass also admits 2 for 1. Dogs are welcome on a short lead. There is a Tea rooms and a nursery selling various plants.

Bazaar Indian Summer is at the Gardens while we are there. An event in Marquees selling gorgeous clothes in cottons and vintage sari silk, semi precious designer jewellery, scarves, home furnishings and gifts – all ethically traded from India.

Alex's curry "Dhaba" will be serving delicious authentic curries.

Jo Hall will be giving talks on textiles and Nepal and there will be woodblock printing for kids and adults !

Please note the starting place of the run this year is again at The Pheasant PH on the Reigate Road (A25) at Betchworth. Toilets, coffee and refreshments are available at the pub. We hope you will be able to join us. Cars will be leaving Reigate from 9.30 am onwards.

CANINE PARTNERS STAMP APPEAL

Canine Partners is running an on-going Stamp Appeal to raise funds for the first year of puppy training (£5,000 each). If Members would like to help them achieve their goals, Bryan Young, our Secretary, will take any postage stamps and send them to Canine Partners on behalf of Epsom Area MGOC.

SURREY RUN 2019

When we chose the date of **Sunday 14th July for the SURREY RUN 2019**, little did I realise that this would clash with a record number of major sporting events. Despite this, we had over 150 MG cars pre-registered and more turning up on the day. The Surrey Run is a popular high profile event where the Epsom Area is “on show” to many MG enthusiasts outside of our Club. I have to say how proud I felt of our membership with everyone projecting such an efficient and professional attitude that is always noticed by others.

The Rural Life Museum is a venue we have visited before, but my attention always turns to the weather forecast for the day. I was pleased when the spell of weather leading into July was predicted to continue with high pressure over the area giving us a pleasant warm Sunday. This however was not the case when we experienced spells of rain first thing in the morning. Fortunately, by just after 9am, the weather took a turn for the better and improved as the day progressed.

As in previous years, the start point was once again hosted by Bocketts Farm, near Leatherhead, in Surrey. The registration facilities were operational with route instructions and rally plates being handed out by about 8.30 with the first departures an hour later. Every car had the opportunity of passing under the official start banner before joining the Run. This included Jonathan Kimber and Holly Collas who had joined us from headquarters driving the official MGOC van. This moment, was captured by our resident Epsom Area Photographer, Kim, who was ready to photograph each car as it set off. If you have not already ordered a copy of your special photo, then please contact Kim Shrosbree via the Epsom Area web-site with your registration number. For a small sum of £6.00 she can still provide you with a memento of this occasion.

Again, I have already received many favourable comments on the scenic route. This was carefully planned by our Route Master, Foggy, and then independently checked prior to publication. This 65-mile route was then re-run by the “Master” on Friday 12th before our event with a report of just one minor traffic light delay at Hindhead. As an extra precaution, Kevin was the first to leave by 8 am on Sunday morning for a final check and reported that all was still well.

The entry fee for the Surrey Run also included admission to the Rural Life Museum. This museum has displays of life in the English countryside since the mid 1800’s. There are over 40 thousand artefacts on display including a number of historic local buildings. On arrival, our Epsom marshalling team lead by Ray and Joyce had set up the welcoming arrangements leading to the dedicated MG parking within the Museum complex. There were some beautiful examples of MG models taking part in the Run this year. These covered a wide range of ages from early T Types to the very latest additions. The cars formed an amazing sight displayed between the Museum buildings. Our participants spent a very pleasant afternoon on the 10 acre site gaining a feeling for a time that is now long past. I was pleased they were also able to chat to Jonathan and Holly from the MG Owners Club as they set up next to our Sponsor, Belmont Garage, displaying the latest MG ZS model from their showroom.

At the start of the Run, each driver was given a Prize Draw ticket to be handed in as they passed the finish post. When everyone had arrived, Emma Midgley, representing the Rural Life Museum, drew a selection of winners. John and Jackie Layhe, entry number 4, won First Prize of a voucher for £25. Trevor Dean, entry number 68, won Second Prize, a voucher for £15, and Heidi Barron entry number 152, won Third Prize, a voucher for £10.

We are grateful to Belmont Garage who for the second year have kindly sponsored this event and were present at the Rural Life Museum. Once again, I must thank those involved in the operations of the day also everyone who took part in the actual Run. By taking part in the Surrey Run, you have provided valuable support in helping us achieve our goals for yet another year to support deserving causes. I do hope that you enjoyed the day and my job now is to start planning next July for the **SURREY RUN 2020**.

Well done to you all. **NIGEL**

SECRETARY'S SCRIBBLINGS

A big thank you to the many Epsom members who contributed to our **Surrey Run** this year. Nigel Swann has written a lovely article about the event on the previous page.

We had another great Club Stand this year at **Whiteley Village** on Saturday 20th July, with a good turnout of 22 lovely MGs ranging from a stunning 1949 MGTC, a ten years younger 1959 Iris Blue MGA, Alan Foot's award winning MG Metro, Karl Foot's lovely MGRV8, one of Nigel's midgets, F's and TF's, MGB's, an MG6, a handful of MG3's as well as Terry Smith's newly acquired ZS. Joan even brought her lovely Red SLK to join the other MGs, and Martin managed to "snuck in" his Triumph Spitfire while Paul was looking the other way! Unfortunately, Dave Naylor didn't make the event, it was reported by Chris Gardner that David had stopped on the A3 with a broken transmission. Our cars were displayed adjacent to another 20 or so assorted classics from the Surrey Classic Car Club, overall creating a stunning display.

I would like to thank the 42 members for bringing their MGs to the **Pride of Ownership** competition last month and for supporting this event. It was a stunning display and a very good mix of MGs to judge. Many thanks to Mick Loynes, Malcolm Childs and Tony Pearse who ably assisted with the parking and to John 'Foggy' Brooke for printing and issuing the entry forms and subsequently collating the results. Congratulations to the forthcoming winner, who will be presented with the Penny Broughton Memorial Trophy at tonight's meeting. Congratulations also go to the two runners up, with second and third places.

I hope to see many of you at the various events during August. I understand that a number of spaces have been taken up at **Cranleigh** using their direct booking system'. You must display your official passes on the car, otherwise you won't be allowed in and it is advisable to get there early. Our Club stand will be in Zone B and close to East Surrey MGOC.

The **Cordle's Run** on Sunday 18th August 2019 to Sussex Prairie Garden will be a lovely run with lots of easy questions to answer on the way. Full details of this event are published elsewhere in this Newsletter.

I still have to book a place on the **South Downs Run** on Sunday 1st September, all dependant on my MGF behaving itself; I have been advised they will not be able to accept any entries on the day. The route will start from Bury Hill Car Park between 8.30 to 11.00 am and tulip style route instructions will be provided. The entry fee is £22.00 and entry forms can be obtained or online booking made at www.wsmgoc.co.uk

A quick one-liner joke this month, all that I can find that is suitable.

If you get an email telling you that you can catch swine 'flu from tins of ham then delete it. It's spam.

Think that's quite enough from me.

Kind regards

Bryan and Piggy
