## CANINE PARTNERS STAMP APPEAL

Canine Partners is running an on-going Stamp Appeal to raise funds for the first year of puppy training (£5,000 each). If Members would like to help them achieve their goals, Bryan Young, our Secretary, will take any postage stamps and send them to Canine Partners on behalf of Epsom Area MGOC.

# CHAIRMAN'S CHATTERINGS

Hope that all members are keeping well.

With the rise in the level of people confirmed to having Covid-19 to over 4,000 new cases a day and the R number rising above 1, the short term outlook is not a good one. It will not be possible for us to make any changes to the position we are currently faced with and all meeting, matters and events, organised by Epsom MGOC are cancelled for the foreseeable future and that is unlikely to change for October and November. We will give everyone a fuller update next month.

Keep safe.

**Eric Nicholls**

# SECRETARY'S SCRIBBLINGS

**Please note that this month's offering has been "ghosted" due to the Secretary being indisposed.**

A reminder from the Club to advise members how to access the **Epsom MG Owners** page on **Facebook** for those that use this media. You need to log on to Facebook and go to the search box at the top left-hand side. Enter Epsom MG Owners into the box and click search. Our page should then come up. You can also click on the Facebook icon on our website and this will take you straight there. You can save the Epsom page at the top of your list of shortcuts. The Epsom MG Owners page lists details of various events and information about the club.

You will see from the planned Car Events, Social Events and Car Displays/Stands that the remainder of 2020 has a very limited programme for Members. **Members should check carefully any future Car Events in 2020 due to the Covid-19 virus and its restrictions.**

## Charity Giving 2020

**The Club has decided to continue its Charity Giving in 2020, but owing to Covid-19 and the Club's financial position, has decided to limit this to 4 payments of £250 to 4 Local Charities.**

**Members are asked to submit their requests to the Membership Secretary, Malcolm Childs at his email address, [mrmrchilds9@gmail.com](mailto:mrmrchilds9@gmail.com) by the date of the December Club Night, 3<sup>rd</sup> December 2020.**

Please remember to diarise dates of all events for 2021, from the various pages in the Newsletter and Monthly News Sheet. The latter only sent by email, which gives dates of larger MG and Classic Car related events.

Kind regards.

(On behalf of) **Bryan & Piggy**

# MEMBERSHIP MATTERS

Blank Membership Forms can be found on our website or from the Membership Secretary. I usually have some blank forms with me at the monthly Meetings. Alternatively, contact me direct by e-mail or post at [mrmrchilds9@gmail.com](mailto:mrmrchilds9@gmail.com)

**The Club has decided to look at reducing the Membership Fee for 2021, in view of the lack of events this year. However, Members will be given the option to continue at £10.00, which will allow a donation to Club Funds. A final decision will be made by your Committee in time for November's Newsletter**

I am delighted to report that prior to what would have been our October 2020 meeting, some 103 Members had signed for 2020, so thank you to those members. In addition, we have some 24 Life Memberships. Our numbers remain sound and as many are Joint Memberships, we have well over 230 Members.

Welcome to new member Martin Simmonds from Ewell Court who owns a 1972 MG Midget in Orange, in good condition and 90% restored.

Copies of our A4 Poster promoting the Club are available from me or alternatively, email me if you need one.

Please do speak to new or existing MG owners you might meet to promote the Club, as our new website is a great way of promoting Epsom MGOC. An application to join can be found on the website.

**Malcolm**

# SOCIAL SCENE

**Hi, this is a list of events of trips being considered in 2021. However, some events may well be changed or cancelled at short notice for obvious reasons so please continue to check on any trips.**

**Future Events for consideration:**

- Visit and Tour of **Abbey Wood Pumping Station** to be reviewed.
- Winter Visit to **The Royal Institute** in London, to be reviewed.
- I have been talking to people over the last 2 months and have some good ideas for talks at the Club in future.

If any Members have ideas, do please contact me to see if we can look to do them once restrictions are lifted.

Happy socialising,

**Margaret**

# CLUB STAND AND DISPLAYS

Dates for diaries in 2021 of Club Stand or Displays by Epsom MGOC. Please note that all events for the remainder of the year have been cancelled. Consequently, please ensure you read the Newsletter carefully for information of future events in 2021.

As there are no events for us to attend for the rest of 2020, with either a Display or Club Stand at a show, let's look forward to enjoying 2021. Club Flags are available for Displays.

If any Member has an idea for a Club Stand or Display, please speak to me at our Club Night or e-mail me at [paaablo@talktalk.net](mailto:paaablo@talktalk.net) or alternatively, phone 01483 423 169.

# NATTER NEWS

Please note that if you wish to book any of the Natters, please use my personal e-mail, which is:  
[nigel.taylor1@btinternet.com](mailto:nigel.taylor1@btinternet.com)

**PLEASE NOTE: FOLLOWING GOVERNMENT GUIDELINES MORE INFORMATION WILL BE MADE AVAILABLE IN FUTURE NEWSLETTERS**

In these difficult times, I cannot go ahead and book Natters at this stage. However, I will continue to monitor the situation on behalf of the Club and will be looking into dates for, perhaps, later in the year and 2021, when I am able to resume bookings, so please watch out for those Natters in due course.

I look forward to seeing Members at Natters in the future.

Prior to the Government restrictions brought in during September a number of our lady Members enjoyed a chat, stroll and coffee at Polesden Lacey, National Trust, in Surrey.

# BROWN FAMILY UPDATE

## **Mark and Jamie Brown's Visit to Gaydon and Longbridge in July 2020:**

Members, Mark and Jamie Brown went on a visit to the British Motor Museum in July to look at the MGF Prototype and the MG Land Speed Record Cars. Whilst there, they decided to go across to Longbridge to see the site before further demolition of the site.

An MG Motors Dealership Paul Rigby has opened in the old Conference Centre and by chance, on a slow Sunday afternoon, the manager offered to show them around the "definitely not open to the public"!! MG Museum.

Amongst the variety of cars tucked up around the back in a very "ad-hoc" display were the first MGF off the production line (sporting a technically incorrect number plate MGF1) and the last MGTF off the production line. Other cars included the MG TF GT concept prototype and some other cars, including the five millionth car produced at Longbridge, which was a Rover 75.

Mark and Jamie say they were privileged to see these cars and Mark was even luckier when he sat in MGF1 (See Front Cover).

Finally, thanks to the Management and staff at Paul Rigby MG.

## **Jamie Brown's Midget 1500:**

Some, three years ago Jamie (then aged 14) acquired a 1979 Rubber Bumper MG Midget 1500, from Blackpool, with the intention of saving and restoring the car.

Originally, with his Dad's help, the idea was to restore the car and rebuild the engine, which Jamie coaxed into life for the first time in 6 years.

Sadly, the body of the car was too far gone to save and outside the funding the family had available.

However, a chance meeting at Brooklands, with a Guy who had installed a K Series engine into a Midget, turned Jamie in a different direction.

The family have recently managed to acquire a low mileage VVC MGF engine, from a crashed car owned by a friend of theirs. Mark advises me that he and his wife have now lost the use of their garage for some time!

Mark says he is not sure how this will all be funded, or even insured, but we wish Jamie good luck in this enterprise.

On the plus side Jamie recently obtained a Distinction in his first year of his Vehicle Technology (Motorsport) course at Brooklands College. He has passed his Driving Theory Test and is awaiting, like many 17 year olds, a date for his actual test.

He has spent lockdown mostly working and seems to want to spend the money he has saved on A Ford Sierra 5 Speed Gearbox, which can't all be bad.

**Finally, thanks to Mark and Jamie for these articles** and we wish Jamie success at College, his Driving Test and the development of his MG Midget.

# CAR EVENTS
