# EDITOR'S ETCHINGS

Hello everyone. As I write it is lovely outside – I hope it lasts to the monthly meeting! Annoyingly, I'm stuck indoors having tested positive for the dread Omicron – it just goes to prove that we must all continue with our Lateral Flow Tests if we are going out anywhere.

I really enjoyed the Hobbies Evening: the trains were great, the postcards fascinating and the clarinet absolutely beautiful. A big thank you to all involved for the not inconsiderable effort you made to make sure the evening was so very interesting. I have heard groans about this evening's Bingo evening but I hope you find it fun!!

The calendar is very full through the summer and hopefully Cleo will not be too grumpy about having to squidge into the TF with her bro' 😊!

Kim

# SOCIAL SCENE

**Sunday 24 April** – This date sees National Drive It Day ([www.fbhvc.co.uk/drive-it-day](http://www.fbhvc.co.uk/drive-it-day)) so why not drive your MG to a late lunch at Billy's Bistro at the Royal British Legion, Grub St, Limsfield RH8 0SJ at 2 for 2.30pm. The cost per head is £14 for your choice of roasts or veggie option, which needs to be pre-ordered. Lunch is followed by live music from 4-7pm.

## Possible future events

- Platinum Jubilee celebration BBQ and party
- London Walk

Happy Socialising, Margaret.

# MEMBERSHIP MUSINGS

We have now had 88 membership applications for 2022, which is just below where we were this time last year. However, some 20 + members have not yet renewed from 2021 – should you wish to renew, please contact me for an application form or use the form on the website [www.epsommgoc.org.uk](http://www.epsommgoc.org.uk). There is also a blank application in last month's Newsletter.

We had no new members last month but do remember to promote the Club if you happen to meet a fellow MG Owner and I have summary forms of what is available from the Club with me at monthly meetings.

Malcolm

# CHAIRMAN'S CHATTERINGS

## Hobbies Night

It is difficult to judge how well a Hobbies Night will be received by the members at a monthly meeting. It was, therefore, very pleasing to see the interest expressed by the membership at the March monthly meeting for model railways, postcards and music played on three different clarinets.

Thanks are due to John "Foggy" Brooke for bringing his 95-year-old electric model trains; to Nigel Swann for his excellent display of more modern model railway engines and carriages; to Richard Cordle for his postcard presentation and, finally, to Tony Briant for playing several pieces on his three different clarinets. A good night was had by all.

That's all from me this month. Keep safe and well. Eric

# SECRETARY'S SCRIBBLINGS

March started with club night featuring a hobbies evening, when we got an opportunity to see what some of our members do when they are not involved with their MGs. The evening started with a talk about model railways and the way train sets have developed over the years, being aimed at adult as much as children. We had two displays: a complete layout with stations and small town, as well as a separate vintage track. We then had a talk about collecting postcards, including the history of postcards, along with some fascinating early postcards featuring old pictures of local places we all know. Our final speaker talked about his clarinet, showed us the basics and explained the different clarinets available, and his preferences. This was finished with a lovely demonstration of him playing to the members. Thank you to all who took part.

I managed to get to the lunchtime natter at The Pheasant in Buckland which had a very good turnout and a very good lunch - indeed it was enjoyed so much that nobody wanted to leave. I couldn't get to the Wattenden Arms for the evening natter and Nigel does a great job organising these very pleasant get-togethers and he has another two natters organised for April with full details listed under upcoming events.

On 19th March, several members visited the RAF museum at Hendon. Thanks to Terry Smith for meeting and greeting the members for this great day out to a wonderful venue, always worth a visit.

April starts with a Bingo club night which I won't be able to attend as I will be strolling around the Lake District with my family. Hopefully it will be a bit of fun and, as the lottery advert used to say, "It could be you" that is a winner.

Linda and I have been out this week finalising our annual 'Cordles' run' We believe we have a venue sorted but are waiting for confirmation - hopefully this will be confirmed by next month. It will be our normal weekend with this year's date being Sunday 21st August

I did mention last month that booking for events was getting back to normal. Unfortunately dates are still being changed, and since I wrote that we have lost the popular events at Whiteley Village and Beddington Park for this year - don't forget to check the events under What's Planned to confirm upcoming event dates.

Happy Motoring, Richard

## CAR EVENTS

April can be a busy month for members if they wish as Brooklands Museum are holding an Easter Classic Car gathering on Saturday 16<sup>th</sup> and the following Sunday, the 24<sup>th</sup>, they are hosting the British Marques Day. Full details of both events can be found at <https://www.brooklandsmuseum.com/whats-on>.

Also on Sunday 24th April, which is Classic Car Drive it Day, the Club has a social event at Limpsfield Chart British Legion and please see our Social Secretary's report for further information. With Club Stand activities starting to take place do keep an eye open for such events where you can represent the Club.

The MG Car Club have now confirmed that the Silverstone International weekend for MGs will take place over the weekend of 11<sup>th</sup>/12<sup>th</sup> June and full information can be found on their website [by clicking here](#).

On Sunday 10<sup>th</sup> July the London Borough of Sutton are holding their Sutton Green Fair and they will welcome classic cars to this event. Should you be interested in supporting this event, please email [friendsofsuttongreen@gmail.com](mailto:friendsofsuttongreen@gmail.com) and they will then pass on your details to Ed Protheroe who is organising this part of the Fair. Cars will need to be on site by 11.30am and the Fair runs from 12 noon to 4pm.

Next month, I hope to be able to give members information on our Autumn Leaves Run in October/November 2022. Do keep an eye on our up to date information on page 2 of this newsletter where we also provide details of other MG and classic car events.

Malcolm, Membership Secretary

# NATTERS NEWS

Natters are a great way for members to get together for a chat and a bite to eat at a local pub. New members are especially welcome, do come and join us and meet some of your fellow Mgers. We rarely talk about cars but enjoy lots of other chat!

As Natters are a meal and drink at a local pub, these are always booked with the venue in advance. If there is no interest in a particular date, I cancel the booking about 5 days before so, if you would like to come along, contact me to book your place and make sure the pub has room for us rather than just turning up. My number is 07584 575 695 and my email is [nigel.taylor1@btinternet.com](mailto:nigel.taylor1@btinternet.com)

Here are the upcoming natters:

- 🍷 From 12.30pm on Tuesday 12<sup>th</sup> April at The Watermill, Dorking, RH4 1NN
- 🍷 From 6.30pm on Wednesday 20<sup>th</sup> April at The Blue Ball, Walton-on-the-Hill, KT20 7UE
- 🍷 From 12.30pm on Tuesday 17<sup>th</sup> May at The Onslow Arms, West Clandon, GU4 7TE
- 🍷 7pm sharp on Wednesday 25<sup>th</sup> May for a Gourmet Evening at Brooks Restaurant, Brooklands College, Weybridge, KT13 8TT (see below for more information)
- 🍷 From 12 noon on Sunday 12<sup>th</sup> June lunchtime Natter at The Peacock, Henton, Chinnor, OX39 4AK for starters and/or mains, then afterwards to Foggy and Alexis Brooke's home for afters – more details next month.

Looking forward to nattering! Nige T

## EPSOM MGOC WHATSAPP GROUP

I also run our WhatsApp group which members use to keep in touch and to share information or funnies. Members of the group sometimes even meet up for coffee at a local garden centre or cafe.

If you want to join the WhatsApp Group, please text me on 07584 575695, giving your name(s) email-address and phone number, so I can add you to the group.

# BROOKLANDS COLLEGE GOURMET EVENING

We plan on returning to the fantastic restaurant at Brooks Restaurant at Brooklands College, Heath Road, Weybridge, KT13 8TT on Wednesday 25 May. For those of you who have not been there with us before, the restaurant is part of the catering department at Brooklands College and the chefs and front-of-house staff are all students. Situated within the picturesque grounds of the college, Brooks Restaurant offers the finest cuisine in a variety of styles prepared and cooked by the Masterchefs of the future.

If enough of us book, we can take over the whole restaurant which is laid out in tables of between 4 and 8. There is also a reasonably-priced pay bar where you can buy beer, wine and soft drinks. The exact cost is not yet available but it will be very reasonable, somewhere between £20 and £25 per head which includes a three course gourmet meal and last time we went several years ago, there were extras bits and pieces like an amuse bouche and petit-fours, together with coffee at the end. For those of you who didn't attend our previous visits, the evenings were fabulous with great service and yummy food.

One important note is that we MUST be seated by 7pm. We know this can be difficult for those of us who are still working but are hoping that many of you will be able to make it.

Nigel Taylor will be co-ordinating the evening and in order to make sure we reserve enough spaces so no-one is disappointed he needs names and numbers, together with a £5 per head deposit (this will be taken off the cost of the meal on the night).

To book, see Nigel at tonight's meeting or contact him on 07584 575 695 or [nigel.taylor1@btinternet.com](mailto:nigel.taylor1@btinternet.com)

Sadly, there are two events not taking place this year. Beddington, which is unlikely to restart, and Whiteley Village which is destined to be ongoing from 2023 so we will look forward to that one.

I will take names for any of the above events and update info as I receive it. For information about any car stand, or to book your place, contact Paul Coleman on 01483 423169 or drop an email to [paaablo@talktalk.net](mailto:paaablo@talktalk.net).

Looking forward to our first display, Paul.

## ULEZ EXTENSION PROPOSAL

As Editor of this newsletter, I thought that I would include here some information about the impact of London Mayor Sadiq Khan's proposal to extend the Ultra-Low Emission Zone (ULEZ) to cover all London Boroughs in 2023 which many members will have seen in the news. If you are not aware of this, there is more information on the BBC website [here](#) and you can check if your vehicle meets the criteria for non-chargeable entry into the ULEZ [here](#) and it should be born in mind that, at this stage, this is a proposal and no final decision has been made.

Some members have asked the Committee about the impact of this proposal on the Club and our cars. There is an exemption for historic vehicles which are over 40 years old (on a rolling basis) and for which an application has been made for an Historic Tax Class. All vehicles constructed before 1 January 1973 will be exempt from the ULEZ, regardless of commercial use or otherwise. There is more information [here](#).

This will still leave many members, not least the Editor, who will not be able to drive their main vehicle into the extended area. The Committee are aware that Sutton United FC's facilities, which we use for our monthly meetings, are within the proposed ULEZ extension, as are the venues for some of our Club stands and we are keeping a close eye on this. Personally, I was pleasantly surprised to learn that my 2005 TF is now on the list of vehicles who would not be subject to a charge to enter the ULEZ, so the impact may be lower than first thought (although my 2011 Vauxhall Meriva would be chargeable, and I am not sure I would be able to get anything from Ikea in the TF!).

Members should, of course, do (or not do) whatever they feel in reaction to the news, and this is simply information from me personally which members may be interested in. There is a petition on change.org which members may be interested to take a look at [here](#). Some members, particularly those who live in a London Borough, are contacting their MPs as they will be able to raise any concerns on their behalf. The Committee will be making contact with MGOC HQ to notify them of concerns around our vehicles.

# SURREY RUN 2022

I am writing this article on Sunday 20th March, having just watched the latest news roundup on the present, very worrying conflict that is being closely monitored by the whole world.

On a lighter note, I am pleased to say that our Surrey Run plans for a visit on JULY 17th to the MILESTONES MUSEUM in Basingstoke are all going well so far. Yesterday I travelled to the Restoration Show at the NEC in Birmingham and met up with Richard Monk, Jonathan Kimber and Matt Brown from the MGOC Headquarters who I must thank once again for the support that they have given to our Surrey Run event. There has always been a close relationship between Epsom and HQ and this meeting gave us the opportunity to catch up on a wide range of joint interests including our own national situation and the possible impact it may have on current event planning. As a side issue, I discovered that fuel in the Cambridge area has now exceeded £2 per litre. I must say that there is no evidence that this has put our participants off as I had a recent call from a group planning to travel from Wales, looking for local accommodation.

Foggy is starting to think about the route. This is a little tricky as Basingstoke is surrounded by a number of major roads but he always does a superb job. So, in summary, we are well on track with all the major details sorted but as ever there are still a few points to finalise. I will keep you informed as things progress.

I have added a form at the end of this article giving you all the booking details.

My very best regards to you all, Nigel
