# EDITOR'S ETCHINGS

Hello everyone. Not much to report from here, I am sure you will be pleased to know, however, it looks like other members are out and about having fun!

I was interested to see an electric MG ZS being used in an article on the BBC where a reporter was investigating the availability and state of repair of charging points. All quite relevant to me as I've been doing a bit of work for BP pulse – the renewables arm of BP and the UK charging point operation. It does seem to be a big consideration in the move to an electric vehicle and a very good point was made on the programme by a young person who said how vulnerable she felt as a lone woman using a charge point, particularly after dark, as they are often in a remote corner of a car park. There's also lots of discussion on caravan groups I belong to about whether we will be the last generation of caravanners – certainly there's no infrastructure at caravan parks at the moment and nothing that can really tow – we'll see! On the subject of electric MGs, Nigel Swann sent me this photo – it is custom built and, if you need to ask the price you probably can't afford it! It is super though and I'd happily swap Wyatt for it if the chap who owns it would prefer a classic!

On the subject of cars, I received some very useful advice from a fellow committee member to complete an Historic vehicle registration for the B Roadster that's been in my drive for a number of years! I hadn't thought about this as it had turned 40 while it's been grounded – there is no guarantee, of course, that the concession for historic vehicles will continue and any vehicle will need to be registered as such if the ULEZ is extended. There's more information [here](#). The Secretary has also been in touch with the Federation of British Historic Vehicle Clubs who confirm they are monitoring the situation. There is some information about emissions on their website [here](#). The page is interesting as it is not just about London and covers some things I, personally, had not thought about.

Finally, someone who used to be a member of the Club has been in touch with me. They are wanting to get their lovely MGC back on the road and are looking for recommendations for specialised mechanics. If anyone can recommend someone, please email me on [kimshros@gmail.com](mailto:kimshros@gmail.com).

Happy summer fun! Kim

## SOCIAL SCENE

**Epsom MGOC invitation to Jubilee BBQ on Friday June 3<sup>rd</sup>** - - at the Royal British Legion, Grub St. Limpsfield Chart RH8 0SJ. Food will be served from 2pm onwards with live music from 3pm. The cost is £14 per head and drinks and deserts may be purchased at additional cost. Members are invited to come and to display their cars in the specially designated car parking area on the lawns reserved for us and Paul will be on hand to assist with the car parking and display.

I will need to collect the monies at the May meeting and it would be very helpful if members can bring the correct money due to the shortages of available cash. If you prefer to pay by cheque these need to be made payable to 'William Nicholas'. I will give you an invitation to present when you collect your food from the barbecue. Please give me a ring or email me if you will not be at the meeting and would like to attend - my contact details are [here](#).

**London Walk on Saturday 9th July** with guides Marion Clarke and John Morgan. The walk is entitled 'City Highlights'. It will feature key City landmarks including St Paul's Cathedral [outside]. The cost per head is £10.

### Possible future events.

- Tour of Westminster Abbey with guide John Morgan. This has to be mid-week and would cost £18ph.
- Tribute Nights at the Royal British Legion which cost £12.50 (pay on the door)
  - Saturday 20th August 7.30pm Abba tribute act.
  - Saturday 8th October 7.30pm Whitney Houston and Motown tribute acts
- September (date to be arranged) - visit to Denbies Vineyard with a tour of the grounds by train

Happy Socialising, Margaret.

# CHAIRMAN'S CHATTERINGS

It was good to see more members returning to the first April monthly meeting since the Covid lockdowns began.

This is the time of the year when the programme of events is increasing, so do have a look at the Newsletter to see what is on offer, make a note of those that you wish to attend and make a booking where required.

That's all from me this month. Keep safe and well. Eric

# SECRETARY'S SCRIBBLINGS

The April club night was a very successful bingo evening, with a good turnout of members. I missed both the club night and both natters this month due to holidays and other commitments but I did, however, manage to get to the 'Drive it day' event on Sunday 24<sup>th</sup>, where 30 members took a drive on a dry sunny day to the Royal British Legion in Limpsfield to enjoy a roast lunch at Billy's bistro. This was followed by an afternoon of live music by 'The Escorts' whose repertoire was a selection of songs from the 60's and 70's. Margaret has organised a further visit here on Friday 3<sup>rd</sup> June as part of the Queens Jubilee weekend, as we have been invited to partake in their Jubilee BBQ. It is a lovely setting, and we have been given reserved parking where we can make a nice MG display.

The other big April event was the club weekend to Stratford and the Cotswolds. This event overlaps into May, so it will be next month before we can give you a report, but with a nice hotel organised, a couple of runs and even a boat trip booked, it is being keenly looked forward to by the members.

The May club night will welcome Niamh and Mel, who will be talking about the charity 'Young lives versus Cancer'. The charity helps young people and their families in many ways, not only financial, and does all they can to make lives better for the patient and their support. The statement 'To help them thrive, not just survive', really expresses the approach by this amazing charity [www.younglivesvscancer.org.uk](http://www.younglivesvscancer.org.uk)

We have two really good natters organised in May. The lunchtime natter at the highly recommended Onslow Arms in West Clandon, and the always popular evening natter at Brooklands College where we will enjoy a many course meal prepared by the students at the college and is always a varied and delightful meal prepared by future chefs. In between we have our first 'club stand' of the season at Victor Seymour School in Carshalton.

Linda and I have now confirmed our annual run on the 21<sup>st</sup> August will be to the Aircraft Museum at Gatwick Airport. More details to follow as we put the run together and try and work out a few simple questions for the route.

I am still waiting to get our MGB back from the paint shop. The respray the car had in 2020 has proved to be pretty disastrous, with the paint blistering. It has gone back to them, but it's looking like it won't be back in time for the early part of the season

Just a reminder, that I'm sure will be shown elsewhere as well, but the June club night will be a week later than usual on **Thursday 9<sup>th</sup> June.**

Happy Motoring, Richard

# MEMBERSHIP MUSINGS

We have now had 100 membership applications for 2022, which is above where we were this time last year. However, some 10 members have not yet renewed from 2021. Should you be aware of someone who has not renewed, please ask them to contact me for an application form for renewal or use the application form which can be found on [www.epsommgoc.org.uk](http://www.epsommgoc.org.uk).

We had 2 new members in April 2022: Mark Sidwells and Gill Feast from Morden who have an MGB GT automatic in red from 1971 in good condition and Keith Mellor and Lesley Miller from Hersham who have an MGB GT automatic in white from 1971 in excellent condition. Welcome to both of these memberships and how rare to get 2 MGB GT automatics from the same year joining on the same night!

In addition, I am delighted to welcome Adam and Elaine Domaigne to our list of Life Members.

Malcolm

# CAR EVENTS

April was a busy month for members, with two events at Brooklands Museum and Classic Car Drive it Day on Sunday 24<sup>th</sup>. Many members will have, hopefully, enjoyed the trip away to Stratford on Avon at the end of the month.

With Club Stand activities starting in May/June do keep an eye open for such events where you can represent the Club.

One new addition in May is the MG Car Club SE Centre Spring Event and Run on Sunday 29<sup>th</sup> May 2022 which will be going to the Fitchling Manor Motor Museum at Polegate East Sussex BN26 5QA. Cost is £20 per car which includes a scenic run, entry to the Museum and entry into the Pride of Ownership on the day. The event is open to non-members of the Car Club and a flyer for the event is attached to the email that sent you this newsletter. The MG Car Club have also confirmed that the Silverstone International weekend for MGs will take place over the weekend of 11<sup>th</sup> and 12<sup>th</sup> June and full information can be found by [clicking here](#).

On Sunday 10<sup>th</sup> July the London Borough of Sutton are holding their Sutton Green Fair and they will welcome classic cars to this event. Should you be interested in supporting this event please email [friendsofsuttongreen@gmail.com](mailto:friendsofsuttongreen@gmail.com) and they will then pass on your details to Ed Protheroe who is organising this part of the Fair. Cars will need to be on site by 11.30am and the Fair runs from 12 noon to 4pm.

Please note that the MG and Triumph weekend event will be held on the weekend of 19<sup>th</sup>-21<sup>st</sup> August at Stafford International Showground. This event was held last year at Great Malvern and won Car Club event of the Year.

I have recently received my application form for the South Downs Run on Sunday 4<sup>th</sup> September so do remember to book this lovely run at the end of the Summer. It is always well supported by our Club and is a good run shadowing the South Downs to Eastbourne.

As promised last month, I can advise members that our Autumn Leaves Run will be held on Sunday 30<sup>th</sup> October. I will provide more information in due course

Malcolm, Membership Secretary

## NATTERS NEWS

Natters are a great way for members to get together for a chat and a bite to eat at a local pub. New members are especially welcome, do come and join us and meet some of your fellow Mgers. We rarely talk about cars but enjoy lots of other chat!

As Natters are a meal and drink at a local pub, these are always booked with the venue in advance. If there is no interest in a particular date, I cancel the booking about 5 days before so, if you would like to come along, contact me to book your place and make sure the pub has room for us rather than just turning up. My number is 07584 575 695 and my email is [nigel.taylor1@btinternet.com](mailto:nigel.taylor1@btinternet.com)

Here are the upcoming natters:

- 🕒 From 12.30pm on Tuesday 17<sup>th</sup> May at The Onslow Arms, West Clandon, GU4 7TE
- 🕒 7pm sharp on Wednesday 25<sup>th</sup> May for a Gourmet Evening at Brooks Restaurant, Brooklands College, Weybridge, KT13 8TT (see below for more information)
- 🕒 From 12 noon on Sunday 12<sup>th</sup> June lunchtime Natter at The Peacock, Henton, Chinnor, OX39 4AK for starters and/or mains, then afterwards to Foggy and Alexis Brooke's home for afters – more details next month.

Looking forward to nattering! Nige T

### EPSOM MGOC WHATSAPP GROUP

I also run our WhatsApp group which members use to keep in touch and to share information or funnies. Members of the group sometimes even meet up for coffee at a local garden centre or cafe.

If you want to join the WhatsApp Group, please text me on 07584 575695, giving your name(s) email-address and phone number, so I can add you to the group.

# BROOKLANDS COLLEGE GOURMET EVENING

We plan on returning to the fantastic restaurant at Brooks Restaurant at Brooklands College, Heath Road, Weybridge, KT13 8TT on Wednesday 25 May. For those of you who have not been there with us before, the restaurant is part of the catering department at Brooklands College and the chefs and front-of-house staff are all students. Situated within the picturesque grounds of the college, Brooks Restaurant offers the finest cuisine in a variety of styles prepared and cooked by the Masterchefs of the future.

If enough of us book, we can take over the whole restaurant which is laid out in tables of between 4 and 8. There is also a reasonably-priced pay bar where you can buy beer, wine and soft drinks. The exact cost is not yet available but it will be very reasonable, somewhere between £20 and £25 per head which includes a three course gourmet meal and last time we went several years ago, there were extras bits and pieces like an amuse bouche and petit-fours, together with coffee at the end. For those of you who didn't attend our previous visits, the evenings were fabulous with great service and yummy food.

One important note is that we MUST be seated by 7pm. We know this can be difficult for those of us who are still working but are hoping that many of you will be able to make it.

Nigel Taylor will be co-ordinating the evening and in order to make sure we reserve enough spaces so no-one is disappointed he needs names and numbers, together with a £5 per head deposit (this will be taken off the cost of the meal on the night).

To book, see Nigel at tonight's meeting or contact him on 07584 575 695 or [nigel.taylor1@btinternet.com](mailto:nigel.taylor1@btinternet.com)

# SURREY RUN 2022

We now have about 10 weeks to go before the 17th July when we set off for the SURREY RUN 2022. You may have noticed our advertising campaign has ramped up recently with quarter page adverts in the April issue of "Enjoying MG". We have a half page version for this month, May, and we have full pages to follow in June and July. By now we should also have a mention in "MG Enthusiast", a popular magazine read by many followers. This is all helping to boost the number of participants registering this year.

Some of you may have recently received an email regarding the Surrey Run event. This was sent to all those who registered last year thanking them for their valued support, As you all know, during the difficult times of the pandemic all charities suffered with a dramatic loss in the funds that would normally be generated by events such as ours. It was with great relief that we at Epsom, with the help of all those enthusiasts, were able to maintain our contributions to good caused in 2021. The email also explained details of our plans for this year and included a link to the 2022 Surrey Run booking form. This email went out to everyone who registered last year and may include those of you who have already completed the application form for 2022. DO NOT PANIC, your details have already been added.

For those still wishing to book for this year, I have once again included a form at the end of this article giving you all the booking details.

I will keep you informed as things progress.

My very best regards to you all, Nigel
